

2008 Flag Ceremony

March 1, 2008

Dear Bethel Guardians and Marshals,

Summer, and therefore Rally, will be upon us before you know it. Ashley Murray and I are responsible for putting together the Flag Ceremony that occurs during Rally Formal Opening on Thursday evening, June 19th, 2008.

As in past years, we would like to have all Bethel Marshals, from both fall 2007 and spring 2008 terms, participate in this special ceremony. Please forward your Bethel's Marshal information to Pat, using the enclosed form. You may return this information by 'e' or 'snail' mail.

We are aware that many of our Bethel's did not have the office of Marshal filled. However, as it is important that each Bethel is equally represented in the Ceremony, we would appreciate at least one daughter from each Bethel to participate and would love to have two. Please appoint an appropriate substitute to ensure participation from each Bethel.

There will be a rehearsal prior to the event, on Thursday, June 19, 2007 at 6:30 pm. Marshals should come to the rehearsal robed and ready, as Formal Opening will begin promptly at 7:30 and there will not be time to change. Also, **please remember to bring your Bethel Flag to Rally**. Some of the temples close for summer so don't forget to pack it with your robes.

Finally, we are open to any ideas you might have for the ceremony and we welcome your input. Please email or call Pat by May 1st with ideas.

Thank you for your attention to this matter, your assistance and great ideas. This information is due to Pat by **May 10, 2008**. As always, if you have any questions, please don't hesitate to call.

Jobie love-
