

Bethel 13 is Recycling 4 HIKE

We can earn \$\$ collecting used/empty
Inkjets, Laser Toners, Laptops, I-Pods and
Cell Phones!

(note: laptops should preferably work, but the
I-pods and Cell Phones don't have to)

This is Bethel 13's Marshal's HIKE Project for Fall 2011
Term. This is an environmental project and will be a
continuing there after.

Bring in electronics from home, family and friends or ask
for a collection box to take to your place of work.

When the collection box is full, empty contents into
another box. Return to the Organization you are collecting
for. Or someone would be happy to pick up the contents
from you. You can keep the collection box to use again.

Please contact one of the numbers below for a drop off location.
