

KEY OF EXCELLENCE AWARD

Dear Job's Daughter and Council Members,

It's that time again! Time to submit nominations for the Key of Excellence Award. This award is presented to any adult (man or woman), who is not a majority member, and has given continuous, outstanding service to Job's Daughters International. So, think about the Council Members, parents and volunteers who go above and beyond the usual expectations. This is a great way to let these adults know they are appreciated for all they do.

I have enclosed a nomination form. You will also need four letters of recommendation for each nominee. If you have more than one person to nominate, please make copies of this form. Make sure ***not to tell*** the person or persons you are nominating about it. You will need to present the name(s) to your Executive Council and have the forms filled out and ***postmarked by May 10, 2008.*** Remember that the nomination forms need to be on time so the committee can meet and decide who will receive the award(s). The medallions will also need to be ordered and engraved.

The committee will contact your Bethel Guardian. If your nominee is selected, please send \$38.00 to the Grand Secretary, Denise Elwood, for the cost of the Medallion. The Grand Guardian Council will pay for all other expenses (engraving, certificate and flowers). The awards will be presented at Annual Session in June.

Please mail all nomination forms and letters of recommendation to:

Lynda Rogers
810 South 400 East
