

Marshal Project Bethel # 16
Autumn Day
Fall Term 2011

For my Marshal project this term we are going to make Christmas cards and send treats to our Marines in Afghanistan!!!

On Saturday November 5th after our morning meeting each girl will need to make 5 Christmas cards for different soldiers.

So, please bring any of the following:

Markers, stickers, glue, glitter and construction paper!!

Once the cards are made we will be mailing the cards and treats by November 19th so they receive them in time for the Christmas holiday!!

For the treats, we are asking parents to please donate some of the below:

PRE-PACKAGED items (nothing that can melt)

Corn nuts, beef jerky, fruit roll-ups, granola bars, protein bars

Due to the cost of the shipping we are also asking if parents can donate a few dollars. We do have parents who have already offered to donate the shipping cost, but anything will help!!!

Thank you so much for all your love and support!!

Jobie Love

Autumn
