Grand Guardian Council of Utah
Job's Daughters International
March 2018

Dear Utah Job's Daughters and Bethel Guardian Councils:

As Grand Session/Rally 2018 approaches, it is time to give thought to helping our Daughters who may be furthering their education. All eligible Utah Job's Daughters who are seeking academic or vocational education beyond high school are encouraged to apply for the 2018 Utah Job's Daughters scholarships. These scholarships are designed to assist young women who will be attending a college, university or trade/technology school.

Eligible members are young women who are currently active in the Order, unmarried and under the age of 25. Scholarships are to be used in the fiscal year in which they are awarded unless permission is granted for an extension—on a case-by-case basis—by the Board of Trustees. Unused awards are returned to the scholarship fund for future scholarships.

The total amount of scholarships awarded is dependent on the amount of money in the scholarship fund. The fund consists of money raised by two-thirds projects in each Bethel, along with money from Grand Bethel fundraising activities.

Applications must be submitted on the attached form as approved by the Grand Guardian Council. Please examine the form carefully as changes have been made over the past couple of years. Electronic copies are available from your Bethel Guardian, Bethel Guardian Secretary, and the Grand Secretary, as well as the Utah Job's Daughters website, www.utahjobie.org.

Please complete these forms accurately and completely. **FORMS MUST BE TYPED.** *Information that is missing, illegible, or which cannot be traced to the appropriate sections of the forms (as in the case of continuation pages) may cause your application to be disqualified.* Further, please remember to include two recent letters of recommendation which are signed and dated (from non-relatives) and your current official academic transcripts with your application. Preference will be given to Daughters who are pursuing their first degree or technical certificate.

All applications and accompanying materials **MUST** be returned to me (postmarked or hand-delivered) not later than **Saturday, May 12, 2018.** Applications postmarked or hand-delivered after the May 12th deadline **WILL NOT BE CONSIDERED.** Scholarship winners will be announced during Annual Session in June 2018.

Please contact me if you have any questions.

Good luck to all!
