Dear Utah Job's Daughters and Bethel Guardian Councils,

As we are nearing the end of another Jobie year, we would like to invite all eligible Daughters and Majority Members to apply for the 2021 Utah Job's Daughters scholarships. These scholarships are designed to assist young women who will be attending a college, university, or trade/technical school.

In order to be eligible, the applicant must meet the following:

- Be an active Daughter in Job's Daughters or a Majority Member of the order
- Be under the age of 25 as of July 1, 2022
- Unmarried
- Have been a member of a Utah Bethel (past or present)
- Planning to attend a college, university, or trade/technical school full time in the 2022-23 school year

The total amount of scholarships awarded, and the amount of each scholarship is dependent on the amount of the money in the scholarship fund and will vary from year to year. This fund consists of money raised by two-thirds projects in each Bethel, the Grand Bethel's Senior Princess fundraising project, and any donations made from the Past Grand Guardians, other Masonic bodies, or special memorial funds. Scholarships are to be used in the fiscal year in which they are awarded unless permission is granted for an extension by the Board of Trustees on a case-by-case basis. Unused awards are returned to the scholarship fund for future scholarships.

A scholarship form is attached. All forms submitted must be typed. Please read the form carefully to ensure you are including all required information. Any information that is missing, illegible, or cannot be accounted for in the appropriate section of the application may cause your application to be disqualified. If you should choose to have your school mail your official transcripts to the chairperson, it is your responsibility to follow through to make sure they arrive on time.

The application form will be available electronically from the Grand Secretary, myself, and the Bethel Guardians. All applications and accompanying materials must be returned to me (postmarked or hand delivered) no later than **Saturday, May 28, 2022**. Any applications, transcripts or other materials postmarked or delivered after **May 28, 2022**, will not be considered. Scholarship winners will be announced during the Annual Session in June 2022. We would like to encourage all eligible applicants to apply.

If you have any questions, please contact me. Good luck and see you in June!
